The screenshot shows the 'Registrant #1' registration form. It includes a 'Quick Fill' button and a 'Clear all fields' link. The form asks for personal information: 'Who are you registering?' (dropdown), 'First Name', 'Last Name', 'Email Address', 'Confirm Email', 'Date of Birth' (with a calendar icon), 'Gender' (Male, Female, Non-Binary), and 'Phone'. It also asks for location: 'Street Address', 'City', 'State' (dropdown), 'Country' (dropdown, currently showing 'US - United States'), and 'Zip Code'. Below this is a 'Choose Your Event' section with a tab for 'I Can Support Families'. Under this tab, there is a selection for 'I Can 5k for Growing Home' with a value of '\$0.00'. The Growing Home logo is displayed at the bottom of the form.
